TIME TO GET INSPIRED

SPRING 2020

BEYOND THE BELL
WHY EXTERNAL STUDIES?

Your child has the opportunity to discover interests outside of the traditional classroom.

We offer a wide range of academic, athletic, recreational and artistic disciplines.

Programs range from Pre-K children to 12th grade.

Our teacher-to-student ratio ensures participants are getting individualized attention.

Programs are offered by Saint Edward’s faculty and staff and community partners.

Join us as we go Beyond The Bell! Once again, we are proud to offer External Studies in the Spring. With something for everyone, our classes start in January and extend through May.

Our goal is to provide each child with a fun and engaging experience where they can discover their passions. Our emphasis on quality, combined with our beautiful and one-of-a-kind campus, provides for an experience your child will cherish!
